

Misty Cove wines draw from the unique environmental elements that our New Zealand wine regions have to offer. The unique combination of our soils and climatic conditions fuse together to produce lush, aromatic white wines and intensely flavoured red wines. We have fused old world wine making values and techniques with modern technology that allows us to produce wines that have incredible body, character and charm.

The Winemaking

Misty Cove's Rosé is lovingly handcrafted and produced from our lower Wairau Valley vineyard where free draining gravels over loam clay help produce expressive Pinot noir grapes that are specifically grown for our Rosé

These fertile soils have produced an exquisite strawberries and cream Rose Well rounded in a dry style with hints of peach. Grapes are cool fermented and bottled one month after fermentation to retain fruit and freshness.

Tasting Notes

Bright, juicy strawberries and cream style and made entirely from Marlborough Pinot Noir grapes ... the palate delivers youthful fruit intensity and smooth texture, well framed by refreshing acidity, finishing crisp & lively.

Wine Orbit

Food pairing: Light salads, light pasta and rice dishes, especially with seafood, raw and lightly cooked shellfish, and grilled fish and goats cheeses.
