## Noble Riesling 2013

**Location:** Block One / Waipara, Canterbury

Delicious, botrytis influenced dessert wine made from Riesling. Beautifully balanced wine with an unctuous sweet mouthfeel, fantastic length and plenty of citrus and floral aromas.

**Palate:** “a tightly concentrated nose with a soft melange of aromas with yellow florals, lime, marmalade and honey, with musky botrytis and a delicate lift. Medium-sweet to sweet in taste and with good body, the palate has a firm and driven core of flavours showing exotic florals and citrus fruits, entwined with herbs and musk, the botrytis quite restrained. The mouthfeel is lively with balanced acidity and a fine grainy line underscores the palate flow, the textures suggesting unctuousness. The acidity and extract carry the palate to a long, sustained finish with wild honey, herb and musk flavours. This is a lively and firm-driven botrytised Riesling dessert wine with exotic citrus, herb and musk flavours”

Raymond Chan Wine Reviews, September 2013
